

Service Technician

KAISER PREMIER, based in Fort Morgan, Colorado is the North American entity of the KAISER Group, a leading manufacturer of vehicles for sewer cleaning, hydro-excavation and mobile walking excavators. The KAISER Group, based in Liechtenstein employs over 700 people in Europe, United States and Australia.

KAISER PREMIER is looking for a Service Technician. In this position, you will repair, test, and operate all our KAISER PREMIER core products such as our sewer cleaning trucks with market leading recycling technology and the walking excavators, also known as the Spider. This position requires a strong technical background with mechanical assemblies and experience with understanding and troubleshooting electrical and hydraulic systems as well as a basic understanding of vehicle software systems.

YOUR RESPONSIBILITIES

- > Maintain a clean, safe work area, and perform all work in accordance with established safety procedures
- > Perform service calls for emergency breakdowns and work with customers to resolve issues
- > Complete required paperwork, documenting parts usage, and accounting for repair times, DOT reporting, etc.
- > Perform all DOT inspections to ensure fleet is in safe and road worthy condition
- > Perform troubleshooting, repairs, and preventative maintenance on all equipment
- > Test and operate all machines after completed service work to verify functions
- > Other duties and tasks as assigned

> YOUR PROFILE AND QUALIFICATIONS

- > Minimum 5 years of relevant work experience
- > Existing experience with servicing different types of equipment (agriculture or construction)
- > Ability to troubleshoot hydraulic and electrical related problems and perform repairs
- > Ability to utilize vehicle computer electronics to interpret failure modes and define required actions
- > Existing experience with hydraulics and electronics
- > Must be self-motivated and customer service oriented while being an effective team player
- > Ability to be flexible and shift priorities in a constantly changing, fast-paced work environment
- > Currently have, or ability to obtain a CDL class B with tanker endorsement
- > Able to travel and perform field-service as needed

Position salary \$21.00 to \$33.00 hourly depending on experience
Extensive benefits package, including medical, dental, vision and retirement
